Killed in a crash with a teen driver

Ryan with his mother, Sherry Chapman, a supporter of H.R. 1895

Every year, more than 5,000 teens from across the nation are killed in crashes involving teen drivers ... and 5,000 mothers get sympathy cards instead of a Mother's Day note from their teens. H.R. 1895, the Safe Teen And Novice Driver Uniform Protection (STANDUP) Act establishes minimum standards for state Graduated Driver Licensing (GDL) laws for teen drivers. Strong GDL laws have been proven to reduce crashes and save lives.

-----  
**Thank you to Reps. Tim Bishop, Michael N. Castle, and Chris Van Hollen for your leadership on the STANDUP Act.** Mothers everywhere are grateful for your efforts to make the roads safer for teen drivers, their passengers, and those who share the road with them.
